BULLETIN 5

Car Controller - Pushback of Car

Reference Article 36.5 (Number of personnel) of the GT World Challenge Asia 2026 Sporting Regulations.

Due to the sloping nature of the pitlane, the Stewards have discussed the matter and decided as follows:

The Car Controller will be permitted to assist with the pushback only. He must return to his duty as car controller before the car leaves the working lane.

Please be guided accordingly.
